DUCK DUCK MOOSE

Award-winning educational apps for kids

Duck Duck Moose

Duck Duck Moose (http://duckduckmoosedesign.com) is an award-winning creator of educational children's applications for the iPhone, iPod touch and iPad. It was founded in 2008 by three friends who are parents themselves, and share a passion for children, music, education, design, and play. Duck Duck Moose's top-selling apps include: *Wheels on the Bus, Old MacDonald, Itsy Bitsy Spider, Fish School, Baa Baa Black Sheep* and *Park Math*. *Wheels on the Bus* won the **KAPi Award for "Best Children's App"** at the 2010 International CES and was featured as one of *The New York Times'* "Best iPhone Apps for Kids." Park Math won the **"2010 Best Kids' iPhone/iPod App of the Year Award"** from iLounge. All six of the company's products have won the **Children's Technology Review Editor's Choice Award** for Excellence in Design, and three have won the **Parents' Choice Gold Award**.
