design process

Design

Creating Applications for Children

5 things we've learned

ONE

Deep interactive experiences

5 things we've learned

TWO

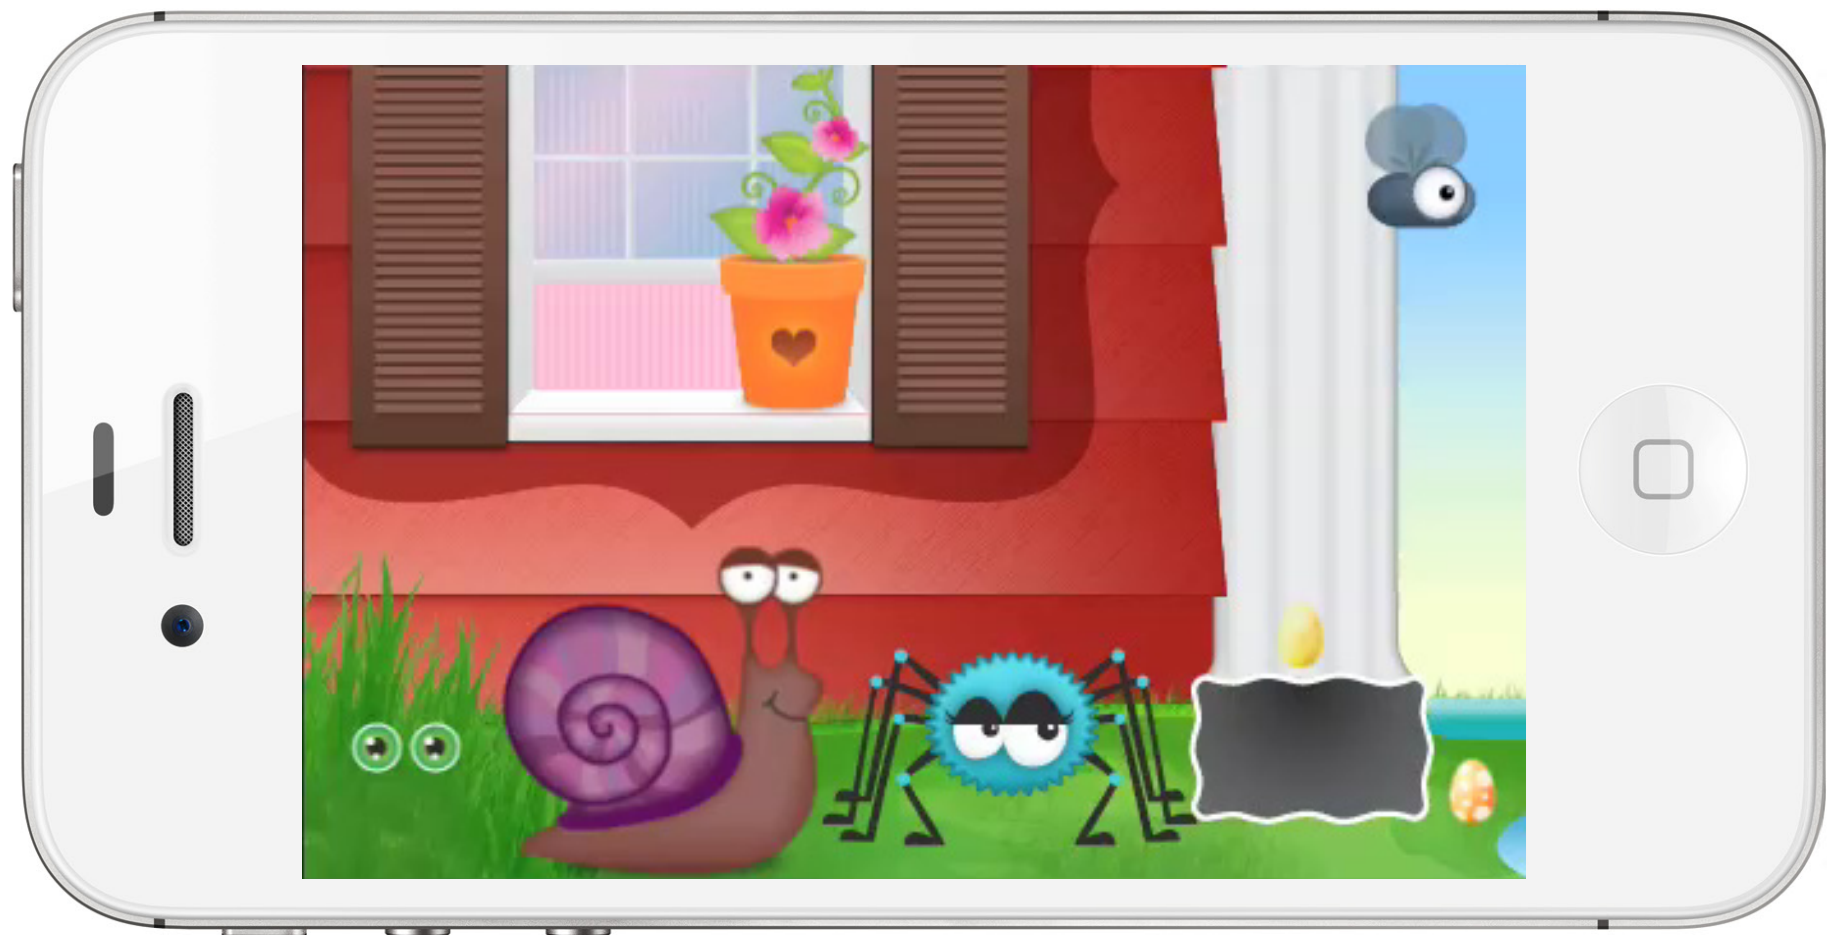

Look at the world through a child's eyes

5 things we've learned

THREE

It's all the little things

5 things we've learned

FOUR
“All by myself!”

5 things we've learned

FIVE

Design for children and their parents

thank you!
